EDUCATION

B.S. Computer Science   **2025**
Georgia State University

Full-Stack Development Certificate   **2020**
Georgia Institute of Technology

TECHNICAL SKILLS

Java	Python	JavaScript	SQL
Node.js	React	Express.js	Flutter / Dart
AWS	Git	REST APIs	Debugging & Troubleshooting

PROJECTS

Vehicle Maintenance Tracker – Flutter

Flutter mobile app with SQLite-backed maintenance logging, relational schema design, and a clean UI for fast entry and review of service history.

CloudSentry – AWS Cost Optimization (Serverless Backend)

Cloud-native cost analytics and optimization platform built on AWS to monitor usage, detect anomalies, and provide actionable cost insights.

RoamLog – MERN + AI Travel Planner

MERN travel planner with CRUD, auth/protected routes, Tailwind UI, and AI itinerary generation via Llama-3.3-70B (OpenRouter).

WORK EXPERIENCE

Sales Associate, ACE Hardware   **Aug 2023 to Present**

- Supported customers with product selection, troubleshooting, and DIY guidance to resolve issues quickly.
- Maintained inventory accuracy and processed transactions using POS/inventory systems.
- Strengthened problem-solving skills through identifying issues and helping customers find practical solutions.

Sales Associate, Staples   **Nov 2022 to Mar 2023**

- Guided customers through services, promotions, and product options while maintaining a strong customer experience.
- Executed planograms and managed stock handling to keep shelves accurate and available.
- Enhanced communication and customer support abilities while resolving in-store issues.

Prep Manager, Del Sur Taqueria & Cantina   **May 2020 to Jun 2022**

- Built prep schedules and standardized workflows to support quality, safety, and on-time service.
- Trained and onboarded new employees, improving team efficiency and maintaining clear documentation of procedures.
